Dear Cleveland Humanities Magnet Parents, Guardians, Community Partners and Friends,

Cleveland Humanities Magnet High School is one of the most prestigious and well-respected programs in public education. In response to catastrophic cuts to education over the last several years, we are hosting our 6th Annual **COREchella**, the highly popular benefit concert that draws more than 1500 attendees. The event takes place on **April 15, 2016** on Cleveland High School's campus and includes a fabulous showcase of student musical talent, an amazing silent auction, a food truck festival, an opportunity drawing, and a celebrity guest host. (We have been fortunate to have Rainn Wilson, Dwight from the Emmy-nominated series *The Office* and Emmy-nominated actor Max Greenfield, who plays Schmidt on Fox's hit TV series *New Girl* as our hosts!).

Our wonderful Cleveland Humanities Magnet families and community members play a critical role in helping the CORE program survive and thrive, and **WE NEED YOUR HELP!** We are asking all Magnet parents and guardians, as well as friends, family, and businesses that you work for or patronize to consider:

- making a donation of new goods, services, or gift certificates.
- sponsoring the program or COREchella.

Our "wish list," an overview of sponsorship opportunities, and the donation/sponsorship form are attached. For additional forms, please go to http://corechella.corebaby.org/ and click on "Get Involved." Contributions will be promoted and prominently displayed at the event. And remember, 100% of your donation DIRECTLY benefits our students and is tax deductible. Our non-profit tax ID number is #95-4823189.

Donations/Sponsorship checks (**made payable to Cleveland High School Booster Club**) can be picked up by our volunteers, dropped off to the Magnet Office, mailed to us directly at this address:
