# **SPECIAL GUEST APPEARANCE**

### Nithya Raman

Nithya Raman is an urban planner, a working mother, an immigrant to America, and a member of the Los Angeles City Council representing District 4.

After several years serving on the Silverlake Neighborhood Council as well as co-founding the SELAH Neighborhood Homeless Coalition, Nithya felt there was a gap between city services and the expanding homelessness crisis – a gap she was equipped to fill.

She ran for City Council in 2019 and won a historic victory, becoming the first Asian-American woman and the first South Asian ever to serve on the City Council. Her race saw a fivefold increase in voter turnout in the district, and she became the first challenger in 17 years to defeat a sitting City Councilmember.

Since taking office, Councilmember Raman has prioritized delivering compassionate and effective services for people experiencing homelessness, building more affordable housing, and moving with greater urgency to meet our city's climate goals. She has built a dedicated team that takes a proactive approach to constituent services, ensuring her office both responds to incoming requests and goes out in the field to meet people where they are, informing them about vaccinations, rent relief, fire safety, and more.

Councilmember Raman lives in the Silver Lake neighborhood of Los Angeles with her husband Vali Chandrasekaran and six-year-old twins Karna and Kaveri.

Besides the requisite tacos, new signatures are being tested and rotated out daily, so catch them at each show and event you see them posted - they're sure to have something new each time; something sure to get the streets talking. In fact, they seem to get the streets talking so much, it's almost like they run them already. Suspicious activity like this demands further investigation.....
